DETROIT — A young couple has been arrested in connection with the death of a 2-year-old girl, and police are looking into the circumstances of their other daughter's death last year.

Tasha Martin, 18, and her boyfriend Joseph Taylor, 23, are expected to be arraigned Tuesday in 36th District Court for the death of Isaiah **Martin**, who died Friday at Children's Hospital of, "blunt force injuries," Detroit Police Cmdr. James Tolbert said.

The couple also had a seven-week-old girl, Danielle, who died last September. At the time, it was ruled an accidental suffocation, Tolbert said — but, he said, an investigation will be reopened in that child's death, too.
