Alleged enforcers arraigned

DETROIT -- Two reputed **enforcers** for the Young Boys Inc. drug operation have been **arraigned** on charges of carrying concealed weapons.

Raymond Peoples, 26, and George (Apple Jack) Blanks, 22, already were awaiting trial on felony charges. Peoples was one of 40 named in a federal indictment involving Young Boys. Blanks had been charged in the Feb. 3 shooting of Terril Hollie, 11, of Highland Park.

Police said the two were arrested again Tuesday by officers who said they saw the men pull guns from their waistbands and put them in the glove compartment of their rented car, which had been blocking traffic at Benson and Canton.

Peoples and Blanks were released on \$2,500 bonds pending a May 11 pre-trial hearing.
