### **Drug suspect free on bond**

SOUTHFIELD -- A reputed Young Boys Inc. leader, free on bond while awaiting sentencing for a federal drug trafficking conviction, has been released on another bond in Southfield on charges of possessing stolen property and carrying a concealed weapon.

Raymond Peoples, 27, also is free on bonds pending trials in Detroit for carrying concealed weapons, two narcotics cases and an assault charge.

Southfield police arrested Peoples and two other men early Monday after an officer checked the license number of the van they were in and found it to be stolen. Police said they found a .45-caliber pistol and a Schmeisser 9mm submachine gun in the van.
