### 2 in drug ring charged in slaying

DETROIT -- **Two** members of Young Boys Inc., who were awaiting sentencing on federal **drug** charges, have been **charged** with murdering Joseph (Wamp) Brown the day after he testified on behalf of Raymond Peoples, the **drug ring** 's alleged founder.

Investigators believe that Brown might have been a victim of a power struggle that erupted within Young Boys Inc. when it became apparent that much of the top leadership would go to federal prison.

As he was dying, Brown , 21, gave the nicknames -- Mohawk and Curt McGurk -- of his alleged assailants. On Monday, Maurice (Mohawk) Gibbs, 23, was ordered to stand trial on charges of second-degree murder and using a firearm **in** committing a felony. The other suspected gunman, Curtis (Curt McGurk) Napier, was still at large.
