DETROIT -- A 48-year-old woman found dead in her home on Saturday was fatally stabbed, according to the Wayne County medical examiner's office.

Detroit police investigators initially thought **Annette Ralston** was shot.

Ralston's roommate made the gruesome discovery about 6 a.m. Saturday in their home on the 15800 block of Fairmount Drive, police said.

Ralston's body still is at the medical examiner's office, staff said.

More details were not available.
